“ She had the biggest heart of anyone I know and she had a light that lit up the world around her. She took me in when I was already almost eighteen and rotten to the core and she loved me anyways. Without her, I would not be who I am today. She was the best! Prayers and thoughts to her friends and family through this difficult time. 🥹💕

“ Dear family,  
I am so proud to say that I have known Pat for  
years as a neighbor and a friend..

We have had so many fun times and sweet  
memories as our families grew over the  
years...

I cannot put into words how much Pat will be missed..

It was always good to see her in town or just any place, as we went  
about our daily business...

I know she was so proud of her family..

May God comfort you as only He can.

Feel free to call me anytime day or night if you need to share  
memories..

Your neighbor and friend forever,  
Evelyn Painter, aka Granny P.
