“ *Patsy was a friend of mine for 40 years. In that time I never heard her speak an ill word about anyone. That was just her way. Love you Patsy!*

“ *I loved being around Patsy. She was always so friendly and would ask about me and what was happening in my life. I could tell she genuinely cared when I would catch her up with all the news. Later (could be several months) I could see her and she remembered what we had talked about. Although our paths did not cross too often, I enjoyed the moments we did share from time to time. Praying for peace and comfort to all her family and fiends during their loss.*
