“ Jeannie, I have always held you and your family close in my heart and always will. I cherish the dedication you have for your faith and family and it has always inspired me to be the same. I know we have been apart for some time, but in my heart and memories you will live on. You and Leon welcomed us in your home and to this day when I think of your family, I am back in your house and there is noise, laughter and peace...as it should be in a loving home. God, Please take this Angel in to your Home and guide her to your will for her. Help her to guide and watch over her family so that they will never feel alone or far from her love. Amen

“ Dear Norsworthy family, we were blessed the day you entered our church doors. So very thankful you decided to choose us as your home church! Bro & Sis Norsworthy have worked faithfully, long hours, and prayed many a prayer for each of us. Sis Jeannie always had a smile and hug for every single person. She always brightened someone’s world and never failed to jump in and help wherever she saw a need. I don’t even have proper words to express how much she will be missed or how saddened we are that she left so soon. But I am so thankful I know where she went and we too can go there! When a saint passes from this life to the next its a, see ya later and not a goodbye. Praying for Bro Norsworthy and family who are left to carry on here, thankful for Gods great big comforting hand.
