“ *Paul will be greatly missed. When I worked at Parkview Health Care Facility, Paul and I became friends. He was a joy to be around and could always make me laugh. I always made sure Paul had his candy and cookies from the vending machine when I worked or else we would sneak snacks from the kitchen! When I missed a day from work, Paul would always make sure one of my co-workers called to make sure I was ok. He was such a sweet person.*
