“ *I saw the estate sale sign and started looking for information on Mrs. Phena. We attended Maranatha Baptist church with her for a long time. She is precious to us. Always kind and fun! We enjoyed visiting her house many times. I have some cuttings from her yard which will always make me remember her when I see them blooming in my yard. We liked sitting with her at church fellowships as she always had funny things to say. She actually listened to us when we spoke. She knew how to carry on a wonderful 'give and take' conversation.*

We loved her. She encouraged us as we helped our Grandma get through dialysis from 2004 to 2007.

We will be glad to see her and hug her on that resurrection morning.
