“ *Nick IS the man!!! When ever you were around him, you were having fun. Always ready to do something, and never wasted a minute even if he was wasted😂 He IS kind and I really enjoy who he IS. When ever I think of him I think of acdc or guns n roses because being around him gave you the same feeling as that music. He lived a great life and lived everyday like it was his last. Never waste a moment. Love you buddy*

“ *Too many to tell even though I only knew him for 8 years, this one pretty well sums him up though. He was telling me the day he had the accident last year that the first words out of his mouth to the kid that hit him were, " you better hope my Sugar is not hurt". That was Nick. R.I.P. buddy, lots of folks will be missng you.*
