SUCCESS

"To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty; to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch or a redeemed social condition; to know even one life has breathed easier because you lived. This is to have succeeded."

“ *I am very sorry to hear of Ray's passing.
although it had been sometime since I had seen him, he always
made me laugh and smile.
I will remember Ray with great fondness.
God bless you all
