“ *I miss you Grandpa and sorry I couldnt be there due to my surgery. But one of my many favorite memories was always taking a nap with you on the recliner with the brown blanket that I loved. Another one when you helped dad put all our kids christmas presents together. I loved visiting you and Grandma when we were young- those times will never be forgotten! Now you are where we all want to be and I cant wait to see you again! Love your Grandaughter!*

“ *Ray was my grandpa. I was his 1st grandchild. I looked up to him for many years. He was a heroic WWII veteran. My favorite memory of him, is when I was 5 yrs old. He had a horse hood ornament put on his truck, because he knew my love of horses. I can remember asking him, "Can I touch it?" Then, he picked me up so I could pet the ornament. He took us camping & on many fishing trips, before he married his last wife. He will be greatly missed.*
