“ *Please accept my deep condolences in the loss of Becky! She was truly an awesome person to be around and always had something funny to say to cheer you up! I grew up with her in Bolivar and we played sports together through out our childhood into high school. We both ended up moving away and loss touch, but she will always be remembered in my heart!  
God Bless each of the Martin family members and Shae.*

“ I was able to make it up over the weekend and see you to say "goodbye." But I still can't beleive that you are gone. I guess you will never be gone in our hearts and memories.

Who knew that behind the smile the lit up the room and comforted so many of us - that you felt so alone and depressed. I just wish you gave a few of us a chance to show you there was a better way to end the pain and sorrow.

We love you! Tiff and I will do our best to keep your memory alive and take care of Shay.
