“ *To all the family our hearts break for you. May the Lord wrap his arms around all of you and help you through this trying time. We know he is with the Lord in heaven right now and laughing and praising Jesus. Our prayers are with all of you and know that he always held a special place in our hearts. I remember when Ed and I invited him to come and spend a week with us at Christmas so he could have Christmas with Jeffrey and with us as a family. We had a great time and so glad that he felt comfortable being with us and sharing Christmas with us. May the Lord bless and keep you all.*

*Sincerely,

“ *Dad,
I want you to know that I love you so much. If I could be there I would be there for you. You were the best dad in the whole world and I thank God every single day for blessing me. I will always have my wonderful childhood memories and will cherish them forever. I know the day will come when we meet on the other side. This is not goodbye, this is I will miss you so much as you won't be here in the flesh but you will always be with me in my heart. Until we meet again just always know that I love you with all my heart and if I could have chose who my dad would be I would have chosen you.*

Dad, no more pain, no more sorrow just wonderful times with our savior Jesus Christ.

I love you, Dad.

*Your son,
Jeffrey*
