“ *Matti Family,
I remember Richard when he was here in
Lebanon managing the Star Food Stores

run a pizza place.

“ *My deepest sympathies to Judy and the rest of the Matti family.
Richard and I go way back to the days of Mazzio's Pizza. Mazzio's
was my first job while in high school and Richard was the one that
hired me. He was a great boss and a lot of fun to work for. I
remember when we first started making pizza deliveries and one of
the cars we had to use was a stick shift. I normally did not do
deliveries but we had an instance where I NEEDED to. Now I had
driven a stick shift in hay fields growing up but never "in town".
Richard told me to take the delivery and I told him I couldn't and
why so nothing doing but he decided right then and there that it was
time for a refresher lesson in driving a stick. So he and I took the car
over to Consumers parking lot and I had a five minute "refresher"
lesson and was then told "off you go". Wow what a delivery that
was. I finally got back and told him "never again" he laughed and
said OK. That was just one of my many memories.
He was a fine man, someone that I was glad to call a friend and he
will be missed.*
