“ *My name is Bev McMasters and I was the K-12 Librarian at MCE. Ricky helped me in the library sometimes and was always so sweet to me and students and so helpful. He was so intelligent and such a creative writer. We had many talks about life and what was important in life. My daughter Audrey had a class with him and he was always so kind to her. He always looked past her disability and got to know her for who she was- for this I am forever grateful. We are so saddened to hear of Ricky's passing. He was such a sweet spirit. Our prayers are with his family. He will always hold a special place in my heart. 🙏❤️*
