“ *To the Crews family:*

I was so saddened to hear of the loss of Ricky. I grew up with Ricky and his sister on the school bus, as our families both had farms in the Milo area. Ricky was a truly great guy who loved his family immensely and was happiest outside. The obit portion about hunting with his son did not surprise me at all...as someone with a son also his age, I can only encourage you to keep his memory alive whenever possible. My thoughts and prayers are with all of you through what I know is an extremely difficult time. God Bless!

Kim (Smith) See - July 16, 2011 at 12:00 AM

“ *I can't remember a time when Ricky wasn't smiling... I attended school with him at Nevada until graduating in '96 and can say with 100% confidence that he was the nicest person I've ever met. My deepest heartfelt sympathy to his family.*

My husband and I send our thoughts and prayers.

“ My thoughts and prayers are with all of you during this difficult time. Ricky was in my class of '96 and I have great memories of him - he was a wonderful man. I often fundraise and complete endurance events (marathon) for the Leukemia & Lymphoma Society as a member of Team In Training, and like to honor the memory of people who have battled cancer (regardless of type) each season I complete. I will be adding Ricky to my list. Much love always,

“ *Brandi, Rick, Annette and family. My deepest sympathy to you all right now. Words just can't express or begin to heal the pain I know you all must be feeling. When I think back on my childhood, all my fondest memories revolve around being at your house with Brandi and Ricky. So many things I learned while in your basement, pool, and just hanging out. It makes me smile to hear everyone saying what a great man and father he turned out to be. May you find some peace in that. You and your families will be in our thoughts and prayers in the days and weeks to come.*

“ I became friends with Ricky in High School. We spent countless hours together with a group of our friends until he graduated and left for college. We lost touch with each other, but always thought of him as a great guy. I'm sorry to you and your family for your loss, and continue to pray for you. I had heard that Ricky had lost his battle to cancer while celebrating the 4th, and the weird thing was that was one of my fondest memories. 4th of July that year, we celebrated by shooting fireworks behind his parents home in the pasture. My prayers and thoughts are with your family during this difficult time.

Ricky you were way too young, but God has a purpose for you. I miss you and love you and so happy that you are no longer in pain. You may be gone from our sight but you will always be in all our hearts, and I know that your grandpa Pritchett and grandpa Crews were there with you...

“ I have so many memories during high school and college that involve Ricky. When I got to NEO a year after Ricky I was very homesick the first few days and spent most of them in my room crying. It was Ricky and Seth who came to my rescue and introduced me to their group of friends. I had lost touch with Ricky after our days at NEO, but got reacquainted through facebook. He was very proud to be a father as he talked about his son often. My prayers are with the family, such a great life lost to a horrible disease.

“ Dear Jennifer, Austin, Rick, Annette, Brandi & Family:

There are just no words that can adequately express our sympathy for your family during this time of grief.

The Crews and Branham families have made many trips to football games during middle school and high school years. Ricky was always such a polite young man and stood for what he believed in. He definitely had great work ethic that no doubt came from example at home. It was obvious when you saw him and visited of his love and dedication to his family. I do not know why such a strong young man was stricken with this horrible disease and then taken from his family. May God wrap His arms around each of you so that you may feel his presence and warmth in the days ahead. Rick & Annette - the Branham family has shared many times with you over the years at school, personal and city events. Ricky's life is a great testament to all of us and he has impacted so many lives. Thank you for sharing with us. Love, Branham Family
