“ *Dear Hausman Family: I am so sorry for your loss. Please accept my sincere condolences. I would like to share something that has comforted me when I have lost loved ones. It is found in the Bible at Acts 24:15 and Revelation 21:4. These verses tell us that soon God is going to bring about a resurrection of our loved ones as well as do away with all causes we have for suffering, including sickness and death. Knowing this has always comforted me and it is my hope that these thoughts will comfort your family also.*
