“ Ronnie was a very special person. He was one of those people that others levitated to. That magnificent mustache of his gave him a very mischievous look. He was kind and very funny. He and I crisscrossed this continent several times we shared many many awesome times together. I preferred to ride by him more than anyone else. He was like a Brother to me. We laughed a lot, shared that part of our lives together. We counted on each other when out on the road. We instinctively knew what the other was going to do on the road. We trusted each other. Ronnie had a kind heart. I will miss you my FRIEND AND BROTHER. I pray for comfort for the Family . Ronnie my Friend and Brother ride those Heavenly hills pain free. Will see you again.
