“ *I have many fond memories of my times with the Stewart family, especially of Christy and Sally! I still remember things Sally taught me as my art teacher and my favorite memories come from Wednesday night choir practices when Sally would say or do something that would have everyone laughing so hard we would cry. Celebrate the wonderful life of Sally Stewart. She was one of a kind!*

“ My memory of Sally Ann began on her first day. As her big Sister, I
was so happy to have her join Don & me when she was born, just 4
days after my 9th birthday. She has been a wonderful sister over the
years, I will miss her so much as I know you all will. I love you and I
hope we can all share our memories together sometime in AZ.
