

Colin Sean Mossman

February 20, 1967 - March 16, 2010

Mr. Colin Sean Mossman, age 43 of Bolivar, Mo died at 11:37 AM on Tuesday, March 16, 2010.

He was born on February 20, 1967 in Kansas City, MO the son of Marsha Jeanne (Bowen) Mossman and Ronald Dean Mossman.

Colin was a Landscape Contractor. He enjoyed being with his children, sailing, ocean fishing and the outdoors. He would light up any conversation with intellect and wit. Colin was a very creative landscape designer for many upscale installations in Missouri and the Florida Keys. Colin was a leader on any construction project using humor and fun to finish even the hardest jobs.

He had been teaching Anatomy and Physiology for over a year and he loved it more than any work he had ever done. He worked with many wonderful friends. Colin will always be much loved by his extended step-family and remembered as a big-hearted, lively debater, interested in most anything and knowledgeable of the same.

A particularly cherished memory was a cross-country road trip to California in Colins grandfathers Chevy pickup. Upon arrival, and learning that the family

next door had 12 people crammed into a one-room apartment and little money, Colin picked up a weeks worth of food for the family and dropped it off. He didnt want a thing in return, but knew a tough situation when he saw it and was quick to help out, that was Colin.

His children meant the world to him and he coached and guided them with his wisdom and love. He will be so missed by his family and many friends.

Surviving are his Children, his daughter Shelby Mossman and his son, Gage Mossman both of Bolivar; his mother and step-father Marsha J. Bliven and husband Jak of Dunnellon, FL; his father, Ronald Dean Mossman of Bolivar, MO; the mother of his children, Trish Ankrom and husband Charley of Bolivar; his sister Selena Patty of Gainesville, FL; his Maternal Grandmother Ruby Bowen of Dunnellon, FL; two nephews, Nicholas Davis of Bolivar and Richard Davis of Afghanistan, a aunt and uncle, Curtis & Joan Bowen of Dunnellon, Florida, a host of other relatives and many friends.

A gathering of family and friends will be held at 7:00 P.M. on Thursday, March 18, 2010 at the Butler Funeral Home Chapel.

Memorial contributions may be made to his Childrens Educational Fund % Butler Funeral Home, P.O. Box 11, Bolivar, MO 65613

“ *I just stumbled upon this memorial announcement today. I was thinking about Colin and how much he's meant to me over the years. We were childhood best friends and neighbors from 1974-1976. We rode bicycles together, skipped rocks and fished on the many ponds at my home. I believe he helped me catch my first fish. He was protective of me and always treated me as an equal even though I was a year younger. I've modeled all my male friendships from his example. I missed him when he moved away and I pray he was a believer so I'll be reunited with him in eternity one day.*

“ I do not know about the suffering you had been through in the past, or the mental anguish, but you are with the angels now, and I hope all of your loved ones get a little comfort from this. And for the ones who may have caused all this pain, trust me, there is such a thing as karma, and it will find them.

“ Colin taught me mostly to think of many possibilities. He loved so many things and was good at most, especially if he was telling the story. I will miss him so much. Every moment we have had together even if they were few were moments so worth having.

“ I was saddened to hear the news tonight from Kirk. My thoughts and prayers go out to Colin's family. I wish I had the words to ease their pain.

I had not seen Colin in many years, but Kirk has always kept me updated on how he was doing. I have many fond and hilarious memories of his time in Grandview, MO. Colin, Kirk, Brian & I were the "Belva Boys" growing up as teens in Grandview. These were the bonds that last a lifetime.

I hope that Colin finds peace. His memory lives on through us now and will not be forgotten.

“ A light has gone out in our world. As we grieve our loss let us remember the things Colin taught us; to love the earth and all it's creatures, to value friends and laughter, and to dismiss what insults your own soul. With love and good memories we will help the light to glow again.

“ To the Mossman family,

My heart is heavy as I read about Colin's passing. Colin was one of my dearest friends from when we were teens. He brought laughter and love to my world and taught me so much about life.

I will love you forever Colin. Your life, smile and memory will live in us all forever.

“ Colin was like a big brother to me when I was living at the Lake with my Mom and Step-Dad. Colin taught me how to fish, hunt, camp, swim, water-ski, and always made me feel better on bad days. Thanks for being a big brother to me Colin!

“ We didn't get to spend a lot of time with Colin... but the time on the lake was filled with tons of laughter and great energy. The Governor's Cup 2009 was a blast and memories of Colin and the Crew will be in our hearts forever. Our thoughts and prayers are with the family and friends.

“ *I only knew Colin for four hours. He taught a one day class at PMTC for CPR. Even though our class had Colin for only a very short time, we immediately loved and respected him and drew from him laughter, inspiration as well as knowledge. He will be missed by so many people. Condolences to all his family and friends and everyone that feels the same way I do.*

“ Colin,

I did not get to know you all that well. However the night that you certified Class 63 in First Aid was a night of laughs and fun.

Thank you for making my first official night of class at Professional Massage Training Center a good one.

You will be missed by all of us in Class 63.
