“ Harry, Mark, Tami and Family, I was so sorry to see Shirley's obituary in the Courier. I think of you all often and want you to know that my heart goes out to you all. Shirley and my Mother were the same age and they were too young. Sorry we haven't been in touch, but my sympathy is with you all. Judy

“ I can't imagine what you are feeling, but I want to express my condolences to you. Words cannot describe who Aunt Shirley was. And so words also cannot describe the loss we are all feeling now. "I like to believe that when we lose someone close to us they still live through us and give us strength. The time we have spent with those we've lost makes them part of us. So may her soul rest in peace, May your sorrow fade with time; May you find happiness through memories, And treasure the time you shared. Her love for us endures, Her laughter echoes in our ears; Her presence will never be far, As she watches us from up above. Our memories and love for her will never fade, She will always be in our hearts, We Love Shirley Hutchinson, Forever and always. Matthew 5:4
“Blessed are those who mourn, for they shall be comforted.”
