“ *Grandma, I'm going to miss you so much. I should've came around more the past 5-10 years so we could talk about the past, present and future. We could have talked about when Papa use to get onto Frank and I at the old house when we got to loud when Papa was watching the news or when Frank and I would stay all night with you and help make cookies or you would get onto me for pulling the tail feathers out of the bird in the cage. All of your grandchildren will miss and the great-grand children never had a chance to eat the BEST dinner rolls and cookies a grandma could ever make. WE LOVE YOU AND GRANDMA YOU WILL BE MISSED*
