“ Steve and I were partners in the Hardware Rep business from 1981 until 1999. Over that time we built a great business and had a wonderful time together. My wife and I spent many vacations together with Steve and Robin, including a cruise and Hawaii. And who can ever forget all of those great times in New Orleans!! Steve, you will be missed! And Robin, our thoughts and prayers are with you always.

“ Stephen was one of the good guys I had the privilege of working with in our industry. I was not a very big customer but he always treated me with respect and kindness. Even after I retired we still stayed in touch over the phone every few weeks. I always looked forward to our conversations. I will truly miss Stephen. My thoughts and prayers are with Robin and the family. May God grant you peace during these days.
