“ *I am so sad to hear of Tami's passing. Tami volunteered with All Creatures Animal Rescue & Sanctuary for many years, helping to find homes for pets, mentoring volunteers and providing encouragement to all.*

I will always remember this petite, lovely woman with her favorite breed, the massive American Bulldog at her side. Her empathy with people and animals was a rare gift. She will be missed.

“ I worked with Tami in Bolivar when she first moved to the area. She was always a joy to work with and had a smile on her face. She loved her husband, children and dogs so very much. She will be missed by all that loved her
