“ *Oh my God, my deepest sympathy to Jim, Stacey, Tina and Rebecca. Also to Mr. & Mrs Warner, as well as to Paul, Cindy & Dawn. I wish I knew about this sooner, so I would have attended the funeral in person. I lost track of Jim, Tammy and the kids after they left Sauk Village, IL. My deepest heartfelt condolence to everyone!*

“ Jim, Stacey, Tina and Becky,

*Not much that I can say that will make you feel better about the loss you have suffered. You are going to hurt for some time and all the condolences you will hear in the days to come will only leave you feeling as if those who are trying to sympathize with you can not relate at all.*

*So, I'm not going to tell you I'm sorry. I'm not going to tell you I know what you are feeling.*

*I am going to say...*

*Thank you for sharing your life with me for the past 20 years and that I am going to miss her so very much, but you are going to miss her a 1000 times more. I loved her with all my heart, but you loved her with all your heart & soul. Although, I have memories of her to last a lifetime, you have enough for an eternity. I can't nor will I pretend that I can put myself in your shoes, however, I am in my shoes and feel like a piece of me has been cut out so I can't even imagine what you feel.*

*I love you all and hope you know that I am here if you need me. Hold each other close as she lives on in each of you.*

“ *Jim & Girls, Remember what a giving and wonderful person Tammie was. Even as a child she always put others first. I will always remember how she would eat my lima beans so I wouldnt have too. She will always be remembered by all of us who loved her.*
