“ *Tom my best friend and brother from age 15 we chased women drank cheap beer and got into more trouble than most kids ever see and had a ball. On to The US Army Jump school 2 bad ass 18 year old Paratroopers. We came home and started up again then we lost each other for 46 years. Then we found each other again we talked on the phone at least once a week mostly about old times. Now you are gone my old friend my life will not be the same without you. Rest in piece my brother my God hold you in his arms till we meet again*
