“ *Karen, Brent, Sheila and families. It is with great sorrow that I am even writing this. Thank goodness for a loving god, through his grace you will make it through this.*

Knowing Todd since he was a teenager I am fully aware that this is completely out of his character. All I can do is remember Todd and the loving, caring, fun person that I know he was.

I am keeping you all in my thoughts and prayers for comfort and peace in the coming months.

Love to you all!
