“ Lynn, I am so sorry for your loss. Always know that you and the boys are in my prayers. I just want you to know that you do have the strength to get through this. Tommy gave you that. He was a good man that always put his family first. He will be missed and I will always remember all the good times we had together and smile because smiling was so important to Tommy. I love you girl and all your wonderful sons. Alicia

“ Amos, I am so sorry for your loss. Your brother was a great guy that always made us laugh, if it was a goofy face to just talking our ears off, he will be missed. Just remember all the good times and everything he ever said to you. Tommy loved his little brother and remember you are in all of our prayers. Alicia
