Troy happily gave his life to Jesus at a young age of 5 and he held close to him throughout his most eventful life. That is where Troy kindled his love of travel and the appreciation of living in the United States of America. Living life to his fullest, Troy loved his family deeply and enjoyed traveling, hunting, fishing, camping and supporting his children in everything they did for school, sports, church and community. Troy also developed a love of gaming from a young age when he wasn t suppose to be active healing from open heart surgery and that love of the never ending video or online game gave him the opportunity to meet people all over the world; which he shared stories of his family and life. Troy was a Mason alongside his dad which made him happy spending valuable time together. One of Troy s proudest accomplishments was serving at our church in many different roles including Deacon and also Mission s Director. Troy helped plan and go on many mission trips to Mexico and each trip impacted his life to live life to the fullest and share the love of Jesus. Survived by his wife of more

He was preceded in death by his most proud father Donald Thomas, his special grandparents Shorty and Eva Dee Lewis that he stayed with many summers and a special cousin Nikki Dubose. Troy was blessed with additional family when his father married Shirley who brought Jeff, Michelle and Camille into the family. One of Troy's biggest and deepest loves was supporting his children. All 4 of his children are very active in school, church and community and Troy was there for everything he could be for. Troy considered himself a Stockton Tiger through and through supporting all sports and activities, but he was especially fond of cross country, track and basketball with his time and encouragement. Zephaniah 3:17 Living Bible "For the Lord your God has arrived to live among you. He is a mighty Savior. He will give you victory. He will rejoice over you with great gladness; he will love you and not accuse you. Is that a joyous choir I hear? No, it is the Lord himself exulting over you in happy song." Troy has left a positive, God honored imprint on our lives and this world, and we will forever celebrate his life and testimony.
