“ *To the Children of Violet Carey: My family and I would like to express our deepest sympathy over the loss of your mother. Having lost my mother, I know the void you are now feeling. May you find comfort in your loving memories and in recalling the legacy your mom leaves behind. When we read Genesis 1:28 and 31, we find that sickness and death were not a part of God's original purpose. With this in mind, it is reassuring to know that our Creator plans to restore his original purpose and make it possible for all mankind (including loved ones we have lost in death) to live forever under perfect conditions. (Revelation 21:3-5; John 5:28, 29) It is our hope that these words bring you a measure of comfort during this difficult time. Once again, please accept our condolences as you deal with the loss of Mrs. Carey and contemplate the hope of seeing her again.*

“ Dear Carey family, You don't know me but I wanted to say I'm very sorry for your loss but found comfort and hope in Jehovah Gods word the Bible when I lost my whole family to our greatest enemy death that always brings pain and grief. These scriptures at John11:11 and Mark5:39 that they're just asleep and Jesus states at John5:28,29 that we'll see our loved ones again and this helps me get through each day because I miss them so much. I truly hope these scriptures helped in some way because this is me purpose in sharing this with you. Sincerely, Gloria Mosley
