“ *Just a note to Vi's family to say what a special lady she was. Charlie, who was also a very special person, worked for us when we were building homes in Sedalia, so that's how I first had the privilege of meeting Vi. And, she called on me to help her sell her home when she moved from Sedalia.... Thoughts and prayers are with you as you celebrate her life and save the good memories.*

“ *We love you Grandma! You were always special to all of us grandsons. Spending time with you and Grandpa was always a highlight of our summers and Christmas. You will be missed but not forgotten.*
