

Virginia Biggs

August 23, 1953 - May 29, 2018

Virginia “Suzy” Biggs, 64, of Humansville, MO passed away Wednesday, May 30, 2018 at Mercy Hospital in Springfield, MO.

Suzy was born August 23, 1953 in Kansas City, MO to Bill and Virginia Johnson Biggs. As a young girl, Suzy developed what would turn into her trademark laugh, loud and full of cheer. She also developed her life-long love of reading. She would often dive in to a book so deeply that the world around her would be put to the side, including one time when she was left at school by accident because of her time spent in the library.

Suzy also loved animals. Her favorite job was working at the zoo, and she cared deeply for every animal she was able to work with. She also enjoyed gardening, crafts, and would watch almost any sci-fi movie she came across.

Suzy lived a life of happiness and love, and her memory will never be forgotten.

Suzy is survived by her mother, Virginia Biggs, of Collins, MO, her sister, Mary Qualls, of Collins, MO, her brother, Tom Biggs, of Collins, MO and her longtime friend, Ron Richardson, of Humansville, MO.

Private family service will be held in Suzie's honor.
