“ *We are sending our deepest sympathy and are sorry we can't be with you today. You are in our heart and prayers. She was a dear aunt and friend to me. I admired her all my life. she was always kind to me. I will always remember our last visit together and the many kindnesses shown by my Uncle Laymon. She had a great love for flowers and animals. Her many plantings of flowers helped make the world a prettier place. Love, Connie Patton*
