“ *I will miss Jenny so much. She was s very special friend to me for several years. We had so many good times playing golf together. She told me one time she made a hole in one on #3 hole but no one saw it. So I put an article in the Index about it. I will miss her so much.*

“ *I enjoyed the visit I had with Miss Jenny at the fall barbeque at Goodys Resort. I held her hand kissed her forehead, we talked about God and even in that small conversation her heart was going out to others. She blessed my heart. Forever loved and missed, but now perfectly whole.*
