“ Tammy and Family,
I am so sad at Wade's passing. My family was tied to Wade's through the friendship of our parents when we were just kids in the 1960s. The Bolen's always welcomed us and treated us so well. My brother and I enjoyed so much the visits to California and then to Bolivar to see the Bolen family. Wade had that great sense of adventure and humor that kept everyone smiling. My prayer is that you and your family will find hope, love and peace as you travel through this heartbreak. Much love to you from the Andersen family.

“ *Tammy and family,*

I am so sorry for your loss, so sorry for your heart pain...Praying for peace, comfort and strength for all of you.... Tammy when we worked together at Hannah's I remember when Wade would come in and you two would start teasing each other....I would look at him and think at how he was enjoying irritating you at times. I could see that certain grin of oneriness at those times...Rest in peace Wade...

“ *Wade,*

My dear friend, I will miss you greatly. I will never forget the time you drove your truck into the lake and it stalled and you started it right up and drove out of the water up to your door window. All the great times that we shared with our friends at the lake. You were a generous, kind, and loving person and will be greatly missed.
