“Ward Tweedy loved his family like no other, he taught me how a man should be. He has given me a lifetime of memories with stories that were so tall but always made me wonder if they were true. His sense of humor and smile are within me, he was the best man and best Uncle anyone could ask for. He and my Aunt taught me about God, love and how to be a better person. I will always be internally grateful for that. I will miss him dearly but thankful to know he's in a better place. Much love to all my cousins and my Aunt. I love you all.

Our thoughts and prayers are with your family. Scott's family has always thought so highly of Pat and Ward. You will continue to be in our prayers as you find your path without your husband and father.
