“ Jane,

I am very sorry I was unable to attend the service on Saturday. Wayne meant a lot to me and was always extremely nice to talk to. It has been my pleasure to become acquainted with both of you during my landscaping days.

My thoughts and prayers are with you and your family.

“ Jane and family:
My thoughts are with you now, as they have been throughout the long ordeal. Your strength through this has been amazing. I regret being out of state now and throughout the time of the memorial service. Wayne has been a daily topic of conversation at the coffee shop, as all have wanted updates on his condition. He will be missed , but remembered as a great guy. Please let me know of anything I can do for you.

“ Mike, just saw the bad news in the paper today. Just wanted you to know you have my condolences on your loss of your father. Never had the pleasure of knowing your dad, but I remember your grandfather when he was a patrolman as I was a kid. Just hang in there, as they say, time heals. May God Bless You. Your old city sewer rat friend, Randy L.
