“ I was fortunate to get to meet Willie on a hunting trip with his nephew Gus. We hunted all day and we were able to shoot our limit of rabbits. It was really neat to get to meet Willie, we had some great laughs and of course we all gave each other a hard time for the shots that were missed.

I am so sorry for this unexpected laugh. I know Gus really looked up to his uncle, and Gus often spoke of how much he enjoyed hunting with him. I was looking forward to getting in a few more hunting trips with Willie, but the Lord called him to his eternal home before we got the chance.

Prayers for the family in the loss of a person who was very much admired.
