“ *I was very shocked to hear of Willard's passing. He had been doing so well & had no complaints about his health & was very sharp mentally.*

*I send my deepest sympathy to his family on your great loss. Willard loved his family very much & always appreciated calls from his son. I've only known Willard for 3 years, but he was very kind & never said a bad thing about anyone. I visited with him on Sunday afternoons to discuss the Bible. He was a spiritually minded man & all who knew him can take comfort in knowing that God could see that & will remember him in the resurrection.*
