“ Grandpa , I love you so much!!!! You will forever be greatly loved and missed. I know youre in a better place with no pain and are watching over us all dancing with the good Lord and flying high with the angels. Keep an eye on grandma and send her signs to let her know youre always there. I wish you could have met your great grand daughter, but I know youre next to her now watching over and protecting her and keeping her safe. Until we meet again, know that I love you!!!!!! RIP Grandpa.
