“ My Lil Man you will soon be laid to rest,
But you know what they say,
God only takes the best.
Everything happens for a reason,
Even if we may not agree.
I know you will always look down from Heaven and continue to
guide your family in the right direction to be able to reunite one day.
Save a spot up there for your family BUT also save me a spot:~)~)
The thought of never seeing you again brings tears to my eyes.
I know this happened so quick but at least you had some amazing
family by your side throughout your transition of entering the life
stages to get thru
the pearly gates.
But we should never question what God has planned,
Sometimes it's not meant for us to understand.
So as I sit here thinking about you I want you and everyone else
know that
you sure a special person that entered my heart and you will never
be forgotten.
Thanks for allowing me to come and be a part of your care.
And also a huge Thanks to your family for SHARING you with me.
So fly high and we will soon meet again.

Love,

Mrs.Rosey
