“ I was very fortunate to have worked many long hours with Bill, on construction. His knowledge about construction and his sense of humor made him a pleasure, for me, to have known. He was a good man and a hard worker.

“ I can't say I knew William personally but I am great friends with his daughter Tracy. I can assume that my great friend who I adore is who she is because of her dad. I know from personal stories he wasn't just her dad but was the main father figure to her boys! My heart breaks for your loss and I pray for the family. Tiff

Bill was my brother and growing up we called him Billy Bob. He was such a hard working man who loved his family and was so good to his parents. His passing has left such a void in our lives. Till we are together again I have my memories of our years together. Love you Bill.
