“ *Dear Billie and Family,*

I was so sorry to learn Wilma has passed away. Every few years Mark has visited with me about family history and had told me Wilma was not in good health.

I have many happy memories of our times together when we were in high school. Her parents had the store at Needmore and my father was the mail carrier. We would spend night with each other. Often we were at "Dinner on the Grounds" at Bona and would share bites of different desserts.

My deepest sympathy.
