“ *I loved my Aunt Ruthie! When I was a little girl, I would get so excited to go to Louisville to pick her up from the airport. So many memories from her trips to Kentucky and ours to California. I remember faking a fever in kindergarten so mom would pick me up from school because I wanted to help Aunt Ruth make yeast rolls. Aunt Ruthie bought me one of my favorite pair of boots when I was about 5 or 6, little white go go boots-I called them majorette boots! I am blessed to have so many good memories.*

“ Mama was a truly righteous woman of God. I am blessed to have received so many blessings during my life from her. She never said a negative or unkind comment about anyone. In her honor, I will strive to be like her and live holy with His guidance. I am so blessed to call her mom. I will forever love and cherish the most precious of moments with her. I am grieving her absence but know she is finally with her Lord Jesus' presence, where she always longed to be. My last words to her on this earth were, “I love you with all my heart mama.” To which she replied, “I know you do sweetie (she always called me that) and I love you too.” Sweet final memory to keep in my heart forevermore. I will always love you mama!
